RESOLUTION NO. _____

RESOLUTION DIRECTING COUNTY MANAGER TO
EXPLORE FEASIBILITY OF LEASING VACANT LANDS
CURRENTLY OWNED BY MIAMI-DADE WATER AND
SEWER DEPARTMENT TO CREATIVE CHILDREN
THERAPY, INC., A FLORIDA NON-PROFIT
CORPORATION, FOR DEVELOPMENT OF FACILITY TO
PROVIDE PEDIATRIC THERAPY SERVICES FOR SPECIAL
NEEDS CHILDREN

WHEREAS, Miami-Dade County has a shortage of facilities and programs to provide inclusive quality pediatric therapy services for special-needs children; and

WHEREAS, Creative Children Therapy, Inc., a Florida non-profit corporation (“Creative Children Therapy”), was founded by two mothers, all parenting special-needs children, and a group of therapists as a non-profit organization to enhance the quality of life of children with special needs; and

WHEREAS, Creative Children Therapy provides quality pediatric therapy services through a team-oriented approach; and

WHEREAS, Creative Children Therapy treats neuromotor, sensorimotor, strength and musculoskeletal problems in children through traditional physical and occupational therapy and speech and language therapy techniques, as well as non-traditional techniques that include Hippotherapy (horses), pet therapy, gardening, dance, martial arts, meditation and art, aquatic therapy and sports rehabilitation; and

WHEREAS, Creative Children Therapy is currently located in the Kendall area at 12608 SW 88th Street, but needs to build its own facility to adequately serve the needs of the community; and

WHEREAS, there is a shortage of open land in the Kendall and Cutler Ridge areas that is suitable for recreational use; and

WHEREAS, the Miami-Dade Water and Sewer Department (“WASD”) has a parcel of land near the east of the Kendall Soccer Park and the Wellfields at 8000 SW 123rd Avenue, which is not currently being used by WASD; and

WHEREAS, this land has little commercial value because of its irregular shape and because it lies interior to a residential neighborhood; and

WHEREAS, Creative Children Therapy has expressed a desire to build a facility that would be keeping in character with the nearby residential neighborhood to house its pediatric therapy programs; and

WHEREAS, this land is located near the community of “Horse Country” and thus would be ideal for a facility that would include uses common to the homes and farms surrounding the area, including horseback riding and a small petting zoo with farm type animals for the children; and

WHEREAS, an appropriate use of this land would be to provide inclusive therapeutic and recreational facilities for special-needs children; and

WHEREAS, this Board wishes to direct the County Manager to explore the feasibility of leasing vacant lands currently owned by WASD to Creative Children Therapy for the development of a facility to provide pediatric therapy services for special needs children in Miami-Dade County,
